Introducing our Data Protection Framework

1. This framework comprises of a number of key documents; including our Data Protection policy and other associated policies and procedures, which together form our Trust and school's commitment to protecting the data of its pupils, families, staff and volunteers.
2. Compliance with this framework is mandatory for all staff at all schools and within the Trust central teams.
3. "Personal data" means any information where a living person is either identified or identifiable, from the information alone, or with other information – these are known as Data Subjects.

4. "Special category data" is personal data that needs more protection because it is sensitive.
 - personal data revealing racial or ethnic origin;
 - personal data revealing political opinions;
 - personal data revealing religious or philosophical beliefs;
 - personal data revealing trade union membership;
 - genetic data;
 - biometric data (where used for identification purposes);
 - data concerning health;
 - data concerning a person's sex life; and
 - data concerning a person's sexual orientation.
 5. In addition, the DfE advises that Pupil Premium/FSM status is treated as Sensitive Data.
 6. "Data Subjects" include our pupils, staff, contractors, parents, local authority contacts, and anyone else we might come into contact with.
 7. "Data Controller" means the school, alone or jointly with other Data Controllers, decides on why and how personal data is processed.
 8. "Processing" means collecting, storing, using, sharing and disposing of data.
 9. "Processors" are the external bodies who processes personal data on behalf of the controller.
 10. "Staff" includes current or former; permanent employees, temporary staff, agency staff, consultants, governors, volunteers, and anyone else working for the school. We will also expect job applicants and contractors (and their staff) to comply with this policy.
 11. "Data Protection Officer" (DPO) is a statutory role with responsibility for:
 - advising the school about data protection obligations,
 - dealing with breaches, including suspected breaches and identified risks
 - monitoring compliance with this policy.
 12. Our Data Protection Officer is: GDPR for Schools, Children's Services, Derbyshire County Council, Room 397 North Block, County Hall, Matlock, Derbyshire DE4 3AG. Telephone number 01629 532888. E-mail address gdprforschools@derbyshire.gov.uk.
 13. "Data Protection Lead" for the Trust is **Clare Wilson at GDPR for Schools** and staff should liaise initially with the appropriate person at their school site (usually the **Headteacher / Principal**) who

will manage any communications with the DPO. GDPR issues should be logged onto Every at each school and by the central tea..

Responsibilities

14. All staff are responsible for reading and understanding this policy before carrying out tasks that involve handling personal data, and for following this policy, including reporting any suspected breaches of it to our Data Protection Officer.
15. All leaders are responsible for ensuring their team sign to confirm they have read, understood and will comply with this framework, before carrying out tasks that involve handling personal data, including reporting any suspected breaches of it.

Data Protection Legislation and Regulator

16. Relevant legislation includes:
 - Section 3 of the European Union (Withdrawal) Act 2018 (incorporates General Data Protection Regulation (EU) 2016/679 into the law of England and Wales, Scotland and Northern Ireland, to be known as the UK GDPR)
 - General Data Protection Regulation (GDPR);
 - Data Protection Act 2018 (DPA 2018), which enacts the GDPR in the UK and includes exemptions and further detail, as well as offences that individuals can be prosecuted for;
 - Privacy and Electronic Communications Regulations (PECR), which cover electronic direct marketing (“marketing” includes fundraising and promoting an organisation’s aims, not just selling.)
 - Freedom of Information Act 2000, which provides key definitions referred to in the other legislation.
 - Human Rights Act 1998
 - Computer Misuse Act 1990, which covers unauthorised access to, and use of, computers and computer materials.
17. In the UK, the Information Commissioner’s Office (ICO) is the data protection regulator.
18. Breaches of data protection legislation can cause the risk of real harm to people whose data is handled in an unfair or unlawful way, as well as significant monetary penalties and damage to reputation.
19. Individual members of staff may be prosecuted for committing offences under Sections 170, 171 or 173 of the DPA 2018. These offences are: obtaining, disclosing, altering or retaining data without the consent of the Data Controller; purposefully identifying people from data that has been “de-identified”; and purposefully withholding data that a data subject has requested, and is entitled to receive.

Monitoring and review

20. This policy will be reviewed on an **annual basis**, or when new legislation/guidance regarding the subject is published and requires the approval of the **Trust board**.
